Application for Admission

The David Adler Music and Arts Center is dedicated to promoting music and the arts as an integral part of everyday life. Its year-round activities are designed to foster critical thinking and interpretation, participation, entertainment, and achievement in music and the arts for the people of Northern Illinois and Southern Wisconsin. The David Adler Music and Arts Center maintains and interprets the historic home of architect David Adler, which is the base of its activities, and a visual image of the harmony between music, the arts and daily life.

## Festival Background

The David Adler Music and Arts Center is proud to present its 32nd Annual Festival of the Arts in beautiful Cook Park located in historic downtown Libertyville, Illinois. Over the last several years, Festival of the Arts has hosted some of the finest work of artists exhibiting in the country. To supplement this fine artistry the festival also presents musical entertainment and a variety of children's activities. Libertyville lies approximately forty miles north of Chicago and ten miles south of the Wisconsin border. Cook Park is located on the west side of Milwaukee Avenue about one mile north of Route 176 in the heart of downtown Libertyville.

## Booth information

All spaces will be 10' x 10'. Artists are responsible for providing their own display materials, tents, tables, chairs, weights, etc. Extra space can be arranged for larger works, if available, by indicating such need on the application. Artist representatives may not participate in place of the artist. Artists must be present throughout the duration of the Festival. Spaces may not be shared unless work is collaborative. Tent stakes or any other material that penetrates the ground is not allowed in Cook Park.

## Submitting Images

Artists should submit 5 digital images representing 4 different pieces of artistic work and 1 image showing their booth setup. Images submitted should be representative of the work to be exhibited at Festival of the Arts 2012. Images should be submitted in a JPEG format. Images may be submitted in two ways: 1) By CD mailed with Application; or 2) By email attachment to amy@adlercenter.org

Your images will be reviewed by the jury as a group, and you may designate the order in which they'll appear. Please provide clear indications of this requested order, otherwise they will be viewed in a random order.

Please remember that the quality of your images can directly impact the review of your work.
