

Adult Art Session II April 12 - May 31

THURSDAYS

Oil Painting

Instructor — Leisa Shannon Corbett

Have you always admired the French Impressionists- particularly Monet- and wanted to paint like him? In this class, beginning and intermediate painters who range in age from teens to retired are welcome to create their own Monet paintings. In this 8-week session you will go on a journey through Monet's life, tools, painting techniques and colors. You will copy four small Monet landscape paintings (including a winter scene) that you can frame for your home or give as gifts. The instructor will give a painting demonstration during each class and assist each student individually. Supplies included.
